SUPPLEMENTARY INFORMATION:

Title: Registration Requirements.

OMB Control Number: 0583-0028.

Expiration Date: 08/31/2019.

Type of Request: Renewal of an approved information collection.

Abstract: FSIS has been delegated the authority to exercise the functions of the Secretary (7 CFR 2.18, 2.53) as specified in the Federal Meat Inspection Act (FMIA) (21 U.S.C. 601, *et seq.*), the Poultry Products Inspection Act (PPIA) (21 U.S.C. 451, *et seq.*) and the Egg Products Inspection Act (EPIA) (21 U.S.C. 1031, *et seq.*). These statutes mandate that FSIS protect the public by verifying that meat, poultry, and egg products are safe, wholesome, unadulterated, and properly labeled and packaged.

FSIS is requesting renewal of the information collection regarding business registration requirements. The approval for this information collection will expire on August 31, 2019. FSIS is making no changes to the approved collection. Provisions of the FMIA (21 U.S.C. 643) and the PPIA (21 U.S.C. 460 (c)) prohibit any person, firm, or corporation from engaging in commerce as a meat or poultry products broker; renderer; animal food manufacturer; wholesaler of livestock or poultry carcasses or parts; or public warehouseman storing such articles in or for commerce; or from engaging in the business of buying, selling, or transporting in commerce, or importing any dead, dying, or

disabled or diseased livestock or poultry or parts of the carcasses of livestock or poultry that died otherwise than by slaughter, unless it has registered its business with FSIS as required by the regulations. According to the regulations (9 CFR 320.5 and 381.179), parties required to register with FSIS must do so by submitting a form (FSIS Form 5020-1, Registration of Meat and Poultry Handlers) and must provide current and correct information to FSIS, including their name, the address of all locations at which they conduct the business that requires them to register, and all trade or business names under which they conduct these businesses. In addition, parties required to register with FSIS must do so within 90 days after they begin to engage in any of the businesses that require registration. They must also notify FSIS in writing when information on the form changes.

An official establishment that conducts any of these activities does not have to register (9 CFR 320.5(c) and 381.179(c)). An official establishment is a slaughtering, cutting, canning, or other food processing establishment where inspection is maintained under the meat and poultry regulations (9 CFR Subchapters A, D, and E).

FSIS has made the following estimates based upon an information collection assessment:

Respondents: Brokers, renderers, animal food manufacturers, wholesalers, public warehousemen, meat and poultry handlers.

Estimate of Burden: FSIS estimates that it will take respondents an average of 10 minutes to complete and submit this form to FSIS.

Estimated No. of Respondents: 1,200.

Estimated No. of Annual Responses per Respondent: 1.

Estimated Total Annual Burden on Respondents: 200 hours.

Copies of this information collection assessment can be obtained from Gina Kouba, Office of Policy and Program Development, Food Safety and Inspection Service, USDA, 1400 Independence Avenue SW, Room 6065, South Building, Washington, DC 20250-3700; (202) 720-5627.

Comments are invited on: (a) whether the proposed collection of information is necessary for the proper performance of FSIS's functions, including whether the information will have practical utility; (b) the accuracy of FSIS's estimate of the burden of the proposed collection of information, including the validity of the method and assumptions used; (c) ways to enhance the quality, utility, and clarity of the information to be collected; and (d) ways to minimize the burden of the collection of information, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques, or

other forms of information technology. Comments may be sent to both FSIS, at the addresses provided above, and the Desk Officer for Agriculture, Office of Information and Regulatory Affairs, Office of Management and Budget, Washington, DC 20253.

Responses to this notice will be summarized and included in the request for OMB approval. All comments will also become a matter of public record.

Additional Public Notification

Public awareness of all segments of rulemaking and policy development is important. Consequently, FSIS will announce this **Federal Register** publication on-line through the FSIS Web page located at: <http://www.fsis.usda.gov/federal-register>.

FSIS also will also announce and provide a link to it through the FSIS *Constituent Update*, which is used to provide information regarding FSIS policies, procedures, regulations, **Federal Register** notices, FSIS public meetings, and other types of information that could affect or would be of interest to our constituents and stakeholders. The *Constituent Update* is available on the FSIS Web page. Through the Web page, FSIS can provide information to a much broader, more diverse audience. In addition, FSIS offers an e-mail subscription service which provides automatic and customized access to selected food safety news and information. This service is available at: <http://www.fsis.usda.gov/subscribe>. Options range

from recalls to export information, regulations, directives, and notices. Customers can add or delete subscriptions themselves and have the option to password protect their accounts.
